

# Planes

## Travel Fast and Safe

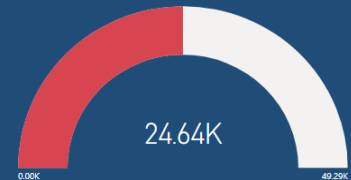

Plane Total Accidents (1946 - 2020)

Planes are safer than car!

The accidents data prove the safety record.  
One Year in a car is deadlier than more than 20 years of flying!

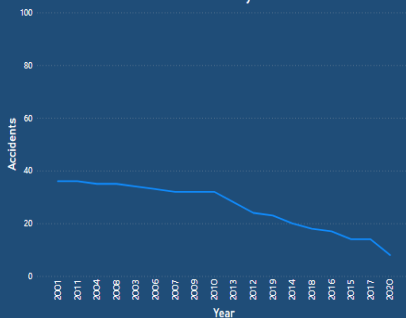

Accidents In North Carolina

Both planes and cars accidents are decreasing at a linear rate.

Just in North Carolina, accidents are in the thousands in one year!

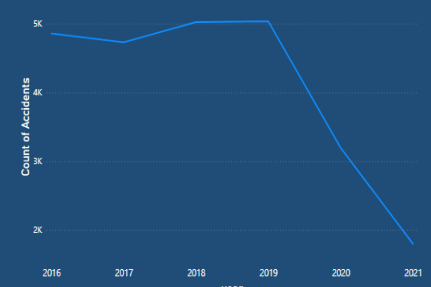

Plane Accidents by Year

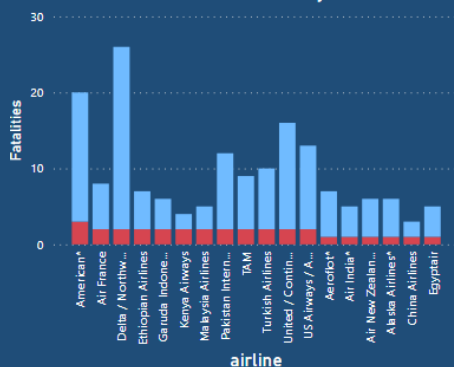

The bottom chart shows DMV data of car crash in a major city.
